

Medi Legato の Medical Column メディカルコラムで、

心臓血管センター長 林医師が紹介されました。

～カテーテル治療の最前線と心臓血管センターにおける多種職連携～

The screenshot shows the Medi Legato website interface. At the top, the logo "Medi Legato" is on the left and "Hands-on Healthcare" is on the right. Below the logo is a navigation menu with tabs for "Philosophy", "Profile", "Services", "Medical Column (Japanese-English)", and "Project". The main content area features the title "Medical Column メディカルコラム" and a sub-header "Vol.3 カテーテル治療の最前線と、心臓血管センターにおける多職種連携". Below this, it identifies the author as "医療法人財団明徳会 総合新川橋病院 心臓血管センター長 林英次郎 (2015年10月)". There is a link to the English version: "English (英語)". A "プロフィール" (Profile) section follows, listing Dr. Hayashi's career from 2002 to 2015, including his role as Chief of the Cardiac Catheterization Center at Shinikawa Hospital. A small photo of Dr. Hayashi is included.

The image shows a 3D perspective of a printed magazine titled "Medical Column". The cover features a photograph of three medical professionals (two men and one woman) in a clinical setting, looking at a document. The magazine text is in Japanese and discusses the challenges and solutions in cardiac catheterization, mentioning the role of the center's coordinator and the importance of interdisciplinary collaboration. The text on the cover includes phrases like "心臓血管センターの最前線" and "多職種連携".
